1855 Washington at, but Mixth and Seventh, Ivrhand, Or.; 1160m. WHAT WE HAVE DONE. WHAT WE ARE DOING. WHAT WE WILL DO: We paid this city a visit two months ago and noticed that

the dry goods and clothing business was in the hands of a few, w to had a regular monopoly, and as we had been 20 years in that business, we knew we could sellicools with our facilities 25 per cent. less, and still make a fair profit; so we concluded to open here, and made arrangements with Mellis Bros. & Co., 126 First Street, and now have their immense store, and have stocked it with as fine and comselling these goods with a small margin of profit, giving the public a DOLLAR'S WORTH FOR A DOLLAR, and marking our goods in plain figures so that every one can see the price, having the same price for man, woman or child, giving pay too much for anything, (which seldom or never occurs) we are the losers. We don't have any damaged goods. We don't give away houses or lots, nor prizes of any kind; we rely on our prices to advertise our goods. WE WILL adhere to our established rules; we will try to please our customers: we will keep the intest styles and reliable makes (we have no trash in our establishment). We will believe you if you tell us you can buy any article cheaper elsewhere. If we receive your orders from the country we will fill them saif you were present yourself, and we will endeavor to have you treated cordially if you enter our store
